 Let's do Wednesday 9am. If you'd like to do a call I'm game but
if you think we'd get more out of meeting in person I live down the
street and can easily get to your office.

    Good afternoon Evan,

    Please let me know your schedule as to
with Adam Miller from CD4 office and then our Los Feliz Village BID. I
would like to include Sarah at that meeting.

    Unfortunately yesterday's meeting was
posted as a committee meeting and I had not been informed by the board
that you were attending and wanted to speak, thus had not included you
on the agenda. In those instances we normally allow time if permitted
for individuals who do attend some time to present but we were running
late yesterday and a few of our board members had to leave prior to our
last chair had finished.

    As a rule I post all meetings 72 hours
in advance per the Brown Act.

    Our next board meeting is on March 8th
and I already have 2 guest speakers that have previously contacted us.
Also the first hour of next week's meeting will be a closed session to
the public. With that said it leaves us a very small window to conduct
our BID meeting and give time to our guest speakers. Please let me know
if you want to be on that agenda as I will need to reach out to the
other speakers to reschedule if they can.

    Lastly please excuse this long email as
I wanted to reach out to you after we had corresponded previously but
did not have do your telephone number to contact you.

    Respectfully,

    Rafik Ghazarian
